Walmart.com - Softline's packaging requirements

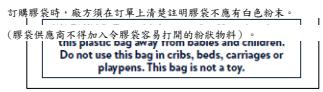

Revised 8/17/2022

The following section outlines Softline's packaging requirements for Walmart.com. Make sure to follow these requirements carefully.
注：(来自 Thomas Wolfe :发送时间: 6/7/2017 1:29 pm)。**WM.COM 已同意允许我们将允许的最大折叠尺寸增加到 20" x 16.5"，并请求授权增加最大折叠尺寸。** 请参阅以下聚袋及贴纸的摆放示例。

- All merchandise must be pre-folded.
- No hangers, pins, or paper should be used.
- When possible ensure eCommerce apparel items do not measure greater than 20" x 14" x 2"
- All apparel merchandise requires hangtags/price tickets. Retail & COM price tickets are required to have RFID.**
- Merchandise must be packed as one size/one color per case. Assorted cases cannot be received and may result in a charge-back.
- Full case weight must be less than or equal to 70 lbs. Vendor pack case dimensions should be less than or equal to 29.75" x 15.75" x 11.75"

For all Softline's (except rugs/mats and mattresses)

- The front of the poly bag should be **marked with a UPC-A sticker at the bottom right** (see the inner packaging example on this page).
- The total length and width of the poly bag determine the font size for the warning.
- If all labeling text is in English, the suffocation warning is only required in English. However, if any labeling text (warning, quantity statements, declarations of the responsible party, etc.) is translated, and all regulatory information including the suffocation warning must be translated.
- The below warning should be printed on the back side of the poly bag in black letters:

The type sizes below will satisfy all four state requirements.

Type size	Size of print
60 inches or more	at least 24 point
40 to 59 inches	at least 18 point
25 to 39 inches	at least 14 point
Less than 25 inches	at least 10 point

NOTE: (From Thomas Wolfe Sent: 6/7/2017@ 1:29 pm). **WM.COM has agreed to allow us to increase the maximum allowed fold size to 20" X 16.5". Mindy Yuen reached out to the WM.COM team and advised the difficulties with the folding and requested authorization to increase maximum dimensions. ** SEE POLYBAG & STICKER PLACEMENT EXAMPLES BELOW.

When ordering a polybag, the Factory needs to mark on the booking clearly that the polybag should not have any white powder appear (Polybag supplier must not add the powder material which makes the polybag open easily).
